

Dear Offices, Presidents, Delegates, and Board Members of our National Organisations,

We hope this message finds you well.

As the ANSE Board prepares for the next four-year Board term, we would like to share an important update with you. We are currently looking for two additional members to join the ANSE Board for the upcoming term.

Over the past months, we have started working on a new election system that we hope will make future Board elections more efficient and open. While this system is still under development and will be discussed at the GA (October 23/24, 2026) in Vienna, we would already like to act in accordance with these ANSE values and make this call for potential Board members visible to all National Organisations.

Therefore, we would like to ask you, as National Organisations, to consider whether one of your members might be interested in contributing to ANSE through Board membership. At this stage, we are simply inviting expressions of interest.

Amongst other things, we are looking for people who are attracted by the prospect of cooperating in a multinational Board and are flexible and willing to adapt their tasks within the Board, if necessary. For at least one of the two positions, a willingness to be involved in financial matters is essential. Existing contacts with MEPs in Brussels would be considered an additional asset.

To put forward a potential candidate or express interest, please contact us at office@anse.eu no later than September 1, 2026.

We will be happy to provide further information about the role and to answer any questions you may have.

In parallel, current ANSE Board members may also approach individuals they believe could be a good fit for the Board and who may be interested in contributing to ANSE. These conversations would always take place in close contact with the respective National Organisation, as the nomination of candidates remains the responsibility and decision of the National Organisation, in accordance with ANSE statutes.

Thank you for your continued commitment to ANSE. We look forward to hearing from you.

Kind Regards,

ReijerJan van 't Hul
Secretary of ANSE
